

## Έξυπνα σχέδια

Ακολουθήστε τα βήματα και φτιάξτε τα σχέδια.

Μπορείτε να κάνετε δυο-τρία σχέδια κάθε μέρα.

Στο τέλος της βδομάδας, μπορείτε να χρησιμοποιήσετε όσα σχέδια μάθατε, να προσθέσετε και δικά σας σχέδια (σπιτάκια, δεντράκια, λουλούδια, βουνά, δρόμους, σύννεφα κ.λπ.) και να φτιάξετε μια μεγάλη, πολύχρωμη, χαρούμενη σύνθεση.

Πιθανά θέματα: Η φάρμα, ο ζωολογικός κήπος, τα αγαπημένα μου ζώα, μια βόλτα στη ζούγκλα, το δάσος, το κατοικίδιο μου και εγώ, πάμε βόλτα στη φύση, φροντίζω τα ζώα κ.λπ.
